MONITOR ARMS

Not all arms are created equal! That is why we feature a diverse range of monitor arms to suit varying ergonomic function, workplace aesthetics and project budgets. Using monitor arms in the workspace promotes a healthier and more productive workforce. Users will minimise their risk of pain and musculoskeletal disorders while regaining valuable desktop space.

All monitor arms come with a 7 Year Warranty.

STATIONERY DRAWER

\$82

With an A4-sided left hand section, and plenty of compartments for your other stationery items, this is the perfect solution for keeping your desk top clear while being able to easily access everything you need. The drawer is 580mm x 390mm and at just 40mm deep, it's perfect, even for a narrow desk. Available in black and light grey.

Please note: The stationery drawer is available for all custom desks up to 1200mm wide. For desks over 1200mm wide (due to the recessed support rail), the desks needs to be at least 750mm deep to accomodate the stationery drawer. If in doubt, ask one of our team.

KEYBOARD TRAY

Free up even more of your desk space with a mouse and keyboard tray. We offer two great options.

OPTION 1: Grey Plastic with galvanised steel runners: \$82
The keyboard tray is 635 x 297mm with an extendable mouse tray.

OPTION 2: Plastic tray and spacers, Galvanized steel mounting brackets and chrome plated steel runners: \$195

Maximum keyboard size: 590 mm wide x 285 mm deep x 25-60 mm high.

ANTI-FATIGUE MAT

\$99

The **Elevar Toro Anti-Fatigue Mat** will provide support for your feet and relieve pressure on your heels, legs, back, and shoulders, helping you stand for longer, encouraging movement, increasing blood flow and improving your health. The perfect accessory for your Elevar Height Adjustable Desk.

- 900mm x 600mm 100% high density (300kg/m³) polyurethane
- Tear resistant - even high heels won't leave a permanent imprint
- Non-slip with bevelled edges to reduce tripping hazard
- 12 month warranty.
